

# MAXIMIZE YOUR USED CAR INVENTORY

Your full-service inspection partner that helps sell cars online.

**“True360 reports add a layer of transparency to each sale. Each report is like buying peace of mind for us and the customer.”**

- Tony Guerrero, Pre-owned Sales Manager, Vista BMW

The True360 Report provides a trusted, third-party report for your customers and delivers peace of mind.

## Protect your Dealership Brand Value

True360 Reports protect your dealer brand and reputation with every certified inspection.

### Increase Profitability by Reducing Aging

True360 Reports are 3rd party inspections, that can improve buyer confidence and reduce the need for pricing changes.

### Increase Used Inventory Turn Rate

True360 Reports are intended to create a faster, frictionless transaction by providing the information consumers need.

### Neutralize Accident History

Only True360 can link directly with Carfax and AutoCheck to provide the full, 360 view of the car's actual value and update the findings on a previous accident report.
